

THE CEBALLOS FAMILY

"Making disciples to worship the Lord"

NEWS BULLETIN # 49 - FEBRUARY 2025

Dear Friends and family in Christ,

We thank the Lord for His great faithfulness as we celebrate 2 years since arriving in Spain for our second phase of ministry **last February 18th**, and His continued affirmation and support for the work He has entrusted to us. We thank and pray for all of you who have been faithful in your support. We praise the Lord with the words expressed by the Psalmist in **Psalm 103:2 (NTV)**:

"May all that I am praise the Lord; may I never forget all His blessings upon me."

To God be the glory!

This month of February was also special for many reasons:

We welcomed our children, **Samuel and Lara**. We were blessed as a family and as a church as they shared their ministry with

us. Both through music and Samuel with the Word. Thank you, beloved children!

Together with 4 of our dear "children"

Thank you for praying for our daughter, **Melody**. Some medical test results have come back negative, but there is still more to come that we trust our Lord will use to

reveal the unknown situation she is going through at this time. Please continue to pray for wisdom for the doctors.

God is adding more members to our church. We are experiencing numerical progress on Sundays at church and Thursdays at our home, and we are trusting God to provide the spiritual growth and encouragement we all need through His Word.

God willing, we hope to **see 5 to 6 people come to the**

baptismal waters. The first will be **Gema** on March 9th. Gema is the woman who accepted Christ in our home on December 31, 2023, and unfortunately was the victim of a problematic relationship.

We ask for your prayers that the congregation will continue to appreciate the Word and find in it

not only answers to their doubts but also challenges for their daily lives and not just "information for what they did not know".

As in every church in Spain, we pray that God will raise up national

leaders who can support and eventually lead this work in the future.

A special request: **Sharon**, the newest believer, has begun treatment for cancer and needs to be strengthened both, spiritually and physically. Thank you for praying for this opportunity for her family to see the Lord at work in her health, testimony and dependence on Him.

Theresa, a very dear Spanish friend of many years, is recovering from a very complicated surgery, but we

pray and trust that God will bring peace, patience and strength to her spiritual and physical life.

The **women who meet every Wednesday** testify to the encouragement that the Word gives them through the adversities they experience daily in their families and in their surroundings. Thank you for praying that they will continue to be salt and light.

Please pray for the **"Revive Our Hearts" women's program**, whose conferences will be held in Granada, Spain for the first time on March 7-8, that they will bring blessing and spiritual challenge upon the participants.

We appreciate that you continue to pray for the **parents of Danny, Itiel and Julie**. The challenges that we as children (*Danny and sister Keren*) are facing are very difficult not just economically, but also the challenge on the transition of maturity stages that Itiel and Julie are going through at this time.

Thank you, dear brothers and sisters, for being a vital part of our ministry. May God richly bless you and meet all your needs according to His precious and sovereign will,
