## "Making disciples to worship the Lord"

NEWS BULLETIN # 54 - JULY 2025

***For the Lord is our judge, the Lord is our lawgiver, the Lord is our king; he will save us.***  
2 Isaiah 33:22

### Dear family in Christ,

How beautiful it is to see that the Word of God is full of promises for each day of our journey through this world! We are encouraged to go to Him every day, bringing our joys and fears, because His Word affirms: *He will take care of you as a Powerful Judge, Equitable Lawgiver, and Savior King who governs this world. He redeemed us one day and keeps us every day.* May the Lord bless and sustain you with His great faithfulness.

In July and August, most Spaniards are on vacation or taking time to relax due to school vacations and the intense summer heat. This causes all activities to slow down considerably. In addition, Córdoba is one of the hottest cities in the country, so the weather also contributes to the slow down, and even interruption of activities. This time of year, is a great opportunity to plan for the new school year at the local church.

### Our first baptisms

We praise the Lord for the first baptisms we have celebrated since He allowed us to serve at the Church of Peñarroya. On July 13, we celebrated this step of spiritual commitment with our four brothers and sisters: **Charo, María, Sergio, and Aurelio**. Thirty one visitors attended, most of them Charo's relatives. While for us it was a celebration, for most of the visitors were annoyed because they see us as a "cult" and baptism as

an "initiation" for those being baptized. However, both Danny and **Cícero**, our fellow servant and pastor of the Evangelical Church of Cabra where clear in sharing the Gospel. One of the visiting families traveled six hours to attend and has expressed their desire to visit our church again next time they come to this area.

Glory to God!

On that same day, we welcomed five new members into our congregation. Three of the people baptized plus two others: **José Ma and Paulina**, Sergio and María's parents, who were baptized years ago.

## Special Ministry:

*During this time of reduced activities, we are taking the opportunity to personally share with brothers and sisters who are facing difficult trials and need to strengthen their faith and trust in the Lord.*

God continues to bless the lives of **our children, Sammy and Lara**. Join us in prayer for their marriage, **for Lara's family**, who do not yet know the Lord, and for their ministry and work in Siguatepeque, Honduras.

We thank the Lord for your prayers for **our daughter, Melody**. She returned from Indiana and Kentucky on August 2, having completed her "Practical Summer" a course requirement from seminary. We praise God and thank Him for His faithfulness through many brothers and sisters and churches who opened their doors, both for her ministry and support her throughout the summer. Now, Melody is about to begin her next to last semester before graduating in May 2026, God willing.

We ask for your prayers as we continue to plan **our furlough trip for next year, 2026**. We pray that God allows us to visit and express our gratitude to the group of brothers and sisters from various churches in the U.S., Honduras, and Guatemala who partner with us. We also pray that more people will join our partnership group, as we need to reach our monthly requirement, which has steadily dropped for over a year now.
