

THE CEBALLOS FAMILY

“Making disciples to worship the Lord”

NEWS BULLETIN # 61 - FEBRUARY 2026

Dear family in the Lord,

Do you remember when you would have liked to be invited to a gathering but were overlooked?

Well, we have a great invitation before us all the time. The Lord says to us, **“Taste and see,”** or, as other versions say, **“Put God to the test”** or **“Savor the Lord.”** We immediately find a great promise: **“We are blessed if we trust in Him.”**

As someone said:

“If you've tried it, you want more; if you don't want more, it's because you haven't tried it.”
Beloved brothers and sisters, may we always seek our delight only in the Lord!

Thanks to the Lord, we were able to make some necessary physical improvements to cope with the harsh weather conditions in our area. The newly installed **awning** keeps us warm in the winter and cool in the summer.

We thank God for trials as well. We have been studying this topic every Sunday and Thursday. We have learned that they are opportunities to strengthen our faith and dependence on the Lord.

Interestingly, God has tested us at this very time, beginning with Danny and continuing with nearly all the church members.

Theory can be learned, but practice is irreplaceable.

One of these trials is **the death of Ion, Aurelia's husband.**

Both are from Romania, but only Aurelia is a Believer.

During his lifetime, we repeatedly tried to share the Word with Ion, but he always refused.

On the last Sunday he was alive, he had lunch at our

house with Aurelia because he had brought Damary to church in Danny's absence.

Since his death, our church has been watching after Aurelia very close, as she lives alone in Spain.

Now, she seems to have been drawn much closer to the Lord. This past Sunday, March 22, **she led the opening prayer in our service in Romanian**, which was very special.

Although we could not understand the language, we definitely could hear her heart's emotion.

You might remember **Charo**... she was recently baptized. She's also going through a very difficult time battling cancer. The new treatment she is undergoing has left her very weak. It has been difficult for her to attend meetings lately.

We thank God for **Melody's progress** during her final semester of studies. We trust that the Lord will strengthen her until she achieves her goal in May.

We praise God for our children, **Sammy and Lara**, as well as for the **new life growing in Lara's womb**.

Please join us in praying that God will strengthen Lara's body and that the baby will hold on until birth. Glory be to God!

A SPECIAL NOTE FROM DANNY:

I praise the Lord for confirming my opportunity to travel to Guatemala and visit my father, Itiel, in Huehuetenango.

God has opened doors for me to travel.

If all goes well, I will leave on Sunday, March 1, and return on Saturday, March 14. I will arrive in Spain on the 15th.

Then, God willing, we will return to Guatemala as a family in June.

Please join us in prayer for this upcoming trip and for a special time with my father.

Thank you once again for taking the time to read our news.

Thank you for being part of our mission through your prayers and partnership.

Glory be to God for His support of our calling!
